Overflow Hotel for Parent Heart Watch 14th Annual Heart to Heart

The PHW room block at the JW Marriott Houston Downtown is full. The hotel was willing to add additional rooms to our block for a significantly higher rate. Therefore, we negotiated a small room block at the Magnolia Hotel Houston, which is only 0.4 miles or 5-minute walk to where our 14th Annual National Heart to Heart will be held. The group rate is \$139 per night plus applicable taxes and fees. Reservations must be made prior to December 20, 2018.
