

How Your Sponsorship Impacts Sudden Cardiac Arrest Prevention in Youth

Your support enables us to fulfill our mission to empower communities through education and advocacy to protect young hearts from the #1 killer of student athletes and the leading cause of death on school campuses. Take a look at what our generous sponsors have helped us accomplish!

9,228 AEDs Placed to Date

(1,597 in 2021)

PHW members place AEDs wherever youth congregate, now protecting tens of thousands.

Schools and youth organizations in 35 states protected 143,906 hearts by implementing a cardiac emergency response plan to earn an AED.

Website Visitors

Serving thousands seeking our comprehensive educational SCA prevention resources.

Hosted 17 annual national Heart to Heart conferences plus 2 continuing medical education programs.

6 New (2021) Prevention Programs

PHW supports passionate champions' efforts to launch community prevention initiatives.

Hundreds of posts to Google and our social channels in 2021 covering the latest news on losses, saves, research, resources and more supported our mission to educate.

In partnership with Coach Safely and the Eric Paredes Save A Life Foundation, this free training helps teams to stop leaving kids' hearts on the field.

45 Call Push Shock Partners

A national collaboration to affect bystander intervention in a cardiac emergency.

800,912 Young Hearts Screened (51,771 in 2021)

PHW member screenings identify risk factors and conditions that may lead to SCA.

PHW supported enacted and pending legislation on CPR, AEDs, cardiac emergency response plans and cardiac risk assessment.

PHW connected with thousands of advocates, educators, medical and allied health professionals.

842,000 Education Materials & Video Views

PHW provides free resources to raise SCA awareness among millions of people.

PHW members show how CPR + AED saves lives.
