9:30 - 10:15 AM

Sports Participation for Athletes and Youth with Cardiovascular Conditions

Horizons Salons 4-8F

This session provides best practices for evaluating and managing cardiovascular risk in both competitive athletes and active youth. Because sports participation can vary—one season on the field, the next in recreational activities—we will explore how to apply current guidelines to all physically active young people.

Jonathan H. Kim MD, MSc, FACC, FAHA

Founding Director of Emory Sports Cardiology,

Associate Professor of Medicine

Department of Medicine, Division of Cardiology, Emory University

10:15 - 10:30 AM
